Le B Par
MAUCAILLOU
AOC Bordeaux Supérieur
Millésime 2022

« Le B par Maucaillou perpetuates the spirit of the wines that Pascal Dourthe and his family love to share. Let yourself be transported into the world of Maucaillou. Our signature is a guarantee of quality. »

Origin : From our estate in Baurech, Château de Beau Rivage, (55 hectares of clay-limestone soil along the Garonne River) & a selection of lots from the best terroirs in the Bordeaux Supérieur appellation. *

Blending : 30% Cabernet Sauvignon, 70% Merlot

Alcohol : 14,5%

Bottling : in the region of production

The vintage : Winter 2022 was cool and dry, leading to an early flowering in May that progressed quickly due to favorable weather. A hot and dry summer, except for a few storms in June, led to an early harvest. The grapes were rich in sugar but had delayed phenolic ripeness. The heatwave reduced yields but concentrated the juice. Vinification was done gently to avoid excessive tannin extraction.

Tasting comment : Le B par Maucaillou 2022 has a lovely garnet-red color with violet highlights. Toasty and vanilla aromas delight both the nose and the palate. Silky tannins blend perfectly with the intense fruit bouquet. Undoubtedly an exceptional vintage.

*This wine does not come from the Château Maucaillou (Moulis) vineyard, but is produced in partnership with the technical team.
